KOMEN RACE FOR THE CURE 29th Annual Fundraiser

What do the Dallas Cowboy Cheerleaders, HGTV's Design Star series and Komen Dallas County have in common? The answer: **Leslie Ezelle**, 2011 Honorary Chair for the *Komen Dallas Race for the Cure*. Leslie, a former Dallas Cowboys Cheerleader is no stranger to stressful moments. Perhaps her most stressful moment was being diagnosed with breast cancer. Today, Leslie is a proud cancer survivor and mother of four, living in Dallas. *The Komen Dallas Race for the Cure* is the annual 1K and 5K fundraising walk/run event held at NorthPark Center. It is a co-ed race and great fun for the entire family. The Race is in its 29th year and is part of a national 5K series sponsored by Susan G. Komen for the Cure. The goal of the event is to raise funds, heighten awareness and educate people about breast health as well as to recognize and celebrate breast cancer survivorship. The Race and its associated events are the largest fundraising drive for local breast cancer screening, treatment, education and research in Dallas County. Last year, \$1,912,000 went to the immediate Dallas community for these vital services. \$679,829 was directed to cutting edge research at the national level. *Susan G. Komen for the Cure* ranked number one in a recent

Harris Interactive poll as the most valued non-profit brand and the charity to which people are most likely to donate.
